

# Additional Uses for "CocoCremè"

Apply "CocoCremè" liberally; does not stain clothes or sheets. CocoCremè can be applied as often as needed to relieve symptoms and is a natural anti-bacterial, antimicrobial. See our web site ([www.beautyfromearth.net](http://www.beautyfromearth.net)) for detailed articles on "CocoCremè" and coconut oil's natural healing power. The following suggestions originate from our personal use and client recommendations:

♥ **Latisse?** Not needed. Simply apply a very small amount to lash line for longer, fuller lashes

♥ **Burns:** Run cold water over burn, then apply *CocoCremè* to damp skin. Keep burn covered

with *CocoCremè* to further quicken healing. (Pic of Deb's 2nd degree burn healed with *CocoCremè*.)

♥ **Relieves dry, rough skin:** Use on elbows, knees, feet, hands, eyebrows and lips.

♥ **Dry, cracked heels**—Apply liberally before going to bed; sleep in cotton socks.

♥ **Diaper Rash**, cradle cap.

♥ **Make-Up Remover**

♥ **Stretch marks and scars**— Lessens appearance, when used with "Earth" masque, lightens them with repeated use.

♥ Apply around face before **perms** or hair color

♥ Great for **nails** and cuticles

♥ Controls dandruff.

♥ Softens all **leather**

♥ Condition **baseball** gloves

♥ **Psoriasis, eczema**—helps to stop the itch associated with many skin conditions (known to help also with dermatitis, seborrhea, and age spots)

♥ **Insect bites**—apply liberally to stop the pain of bites and stings.

♥ **Hair Loss**—Apply vigorously to scalp before bed to help hair growth or deep condition hair. Shampoo out with a shampoo such as Onesta Strengthening Shampoo; known for its abilities in aiding hair growth. (Debbie shaved head to test this theory and her hair grew back thicker, and with more body.)

♥ **CHAFFING? Not anymore. Protect your thighs with a thin layer of CC, also eliminates chaffing pain.**

♥ **Pets:** Multiple health benefits when fed to cats/dogs, 1 tsp by mouth or in food for shiny coat, digestion problems; also found to reduce fleas.

♥ **Age Spots:** Breaks up age spots and scars over time.

## SKINatural's CocoCremè

...A little dab will do ya!

**Did ya know?...**When ingested, research and clinical observation have shown that medium-chain fatty acids, like those found in coconut oil, may help prevent and treat a wide range of diseases. CocoCremè contains the highest Lauric Acid content (57%) on the market. (Excerpt from [the Coconut Oil Miracle](#), Bruce Fife, CN, ND) [Find out more about the miracle of coconut at www.coconutresearchcenter.org](#)

- ♥ Prevent heart disease, high blood pressure, atherosclerosis, and stroke.
